Dear Sir,

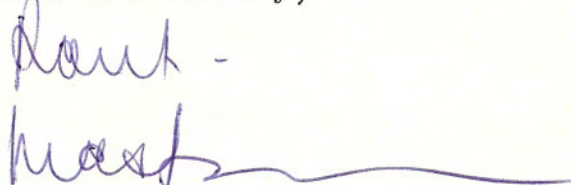

Thank you for your letter of the 17th November addressed to Nems Enterprises Ltd. This Organisation recently parted company with Nems Enterprises Ltd. and as we are Agents and Managers for The Bee Gees I am, therefore, replying to your letter.

I regret that at the moment we are not able to offer The Bee Gees for engagements in Scandinavia particularly in March and in any case when the group eventually comes to Denmark it will have to be for Concerts in the largest venues.

If you are interested in booking artistes for your Teen Clubs I suggest The Foundations who recently were at No.1. in the British Popularity Charts with their records "Baby Now That I've Found You". I believe the record is high in the Norwegian Charts at present but I am not sure if the group is known in Denmark.

Alternatively we represent many smaller artistes who would gladly come over for two or three weeks. I look forward to hearing from you with any proposals you have.

Yours faithfully,

ROBERT MASTERS.
